This is a confirmation letter defining the terms of your purchase. Please check the summary of your purchase above and note that your **grant number** is your key to any support and entitlements. Please ensure that the Network Administrator responsible for these products at your company receives this information.

Your use of Network Associates software is contingent upon your company's compliance with terms and conditions of the license on the License Agreement that you were required to read and accept before you installed the software.

PrimeSupport

Your PrimeSupport service includes: Toll free telephone access during business hours to technical support engineers for product installation, configuration and functionality assistance. During standard business hours calls are typically answered in a few short minutes. Please contact your sales representative if you require after hours access to PrimeSupport.

You also have access to the on-line ServicePortal at: <http://mysupport.nai.com> 24 hours a day.

For complete program information and Terms & Conditions please visit <http://mysupport.nai.com> and select the "Help" option after signing in.

PrimeSupport Connect can be reached in your region at: 1-800-722-3709 (Toll-free)

Hours of operation 8am - 8pm Central Standard Time

Software Updates and Downloads

For you, our corporate Anti-Virus customer, it is vital that your product(s) be updated frequently to protect against the latest viruses. If you purchased PrimeSupport, your **PrimeSupport grant number** gives you access to the software download site at: <https://secure.nai.com/us/forms/downloads/upgrades/login.asp>

Network Associates point of contact is Customer Service at:

https://secure.nai.com/us/forms/support/request_form.asp
